We regret to inform you that our vegan range is being recalled.

We are recalling I Love Pies Vegan Spiced Chickpea & Spinach 195g, Vegan Lentil Mince & Cheese 210g and Vegan Lentil Mince & Cheese Party Pies 280g due to the presence of an undeclared allergen (milk).

These products were produced for us by an outsourced manufacturer and contained levels of milk due to an unexpected cross contamination. We have stopped making these pies until we can ensure a greater level of control and quality.

We deeply regret this has occurred and understand that this will be upsetting to the vegan community and those affected by dairy allergies who may have chosen to purchase this product.

Consumers with a milk allergy or intolerance or who are vegan should return the product to the store they purchased it from for a full refund. Some of the range used a dairy free cheddar alternative product which is not the source of the undeclared milk. The milk is likely to originate from the processing environment, as the manufacturer processes other products which contain milk or milk products.

To our wonderful and loyal customers, we apologise and we will keep you updated on any plans to start making these again.

Sincerely
